*Your voice matters...*

# The headlines...

- Total number of surveys returned across all sites:  $56 / 140 = 40\%$
- The message is that respondents are overwhelmingly happy with the provision their child receives and the communication between themselves and school staff
- **There are 3 action points to take forward:**
  1. A targeted programme of parent workshops focusing on behaviour strategies, independence & skills for life & sharing learning techniques enabling families to feel confident in supporting their child
  2. Further strengthen home learning opportunities – Website based learning platform
  3. Ensure parents have a clearer picture of how any incidents of bullying are dealt with by the school
