

Comet Class - Term 1

Maths

Number: Counting pennies and exchanging them to purchase our favourite things such as tap-taps, Lego, iPad songs and sensory trays.

Shape, Space and Measure: We are measuring heights and comparing lengths.

History

In this term we are making our family tree. We will be looking at who is in our family and writing their names.

Literacy

Speaking: We are learning the names of our peers and the adults who work with us.

Listening: We are developing our listening skills to answer who, what, where, when question types.

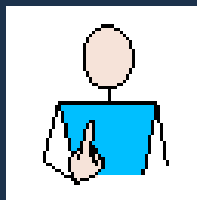

Writing: We are creating our own autobiographies!

Reading: We will be reading our autobiographies and those from our peers.

Design & Art

In Art this term we are looking at abstract work. We will be creating abstract style self-portraits.

All about me

PE

This term in PE we are playing basketball. We are choosing the right clothes to play sports and practicing getting dressed. We are then focusing on bouncing a ball to a peer and catching, as well as shooting into a basketball net.

Food Technology

This term we are learning about how bread is made. We are then cooking toast! We are choosing what toppings we would like on our toast. We then wash up our plate and knife.

General Homework Ideas...

Looking at family photos labelling who the family members are.

Looking at past family photos especially photos of your son/ daughter. Talk about what he/ she was doing, who they were with, where he/ she was.

Making toast/ sandwiches at home.
Washing up our plates/ cutlery when we have finished eating.

RE

This term in RE we are celebrating the Islamic New year which is on 22nd of September. We will be sharing what we have learnt with the rest of Napier Miles Secondary in our class assembly.
