

Comet Class - Term 3 Learning News!

Maths

Number: We will be generalising our number knowledge in all areas of our school curriculum. We will be counting vegetables in cooking, counting steps on our walks and counting different instruments when composing music.

Shape, Space and measure: We will be using the Wii to develop our understanding of position and direction.

ICT

We will be using ICT for leisure purposes, we will be learning how to use the Wii, be playing games with peers and cheering each other on! We will be developing our sharing and turn taking skills whilst doing so.

PE

This term in PE will be going on a walk in our local community. We are really lucky that we have Kingsweston House so close to school, we will be walking around the site and commenting on what we can see.

Life Skills

In Term 3 we will be meeting Nick (Transition support worker) who will be helping us to create simple CVs to label what we are really good at and what we like to do at school. We will also be meeting a paramedic and a fire man too!

Local Community

Food Technology

This term we will be using seasonal vegetables to make soup. We will be using some of the vegetables we grow in forest school.

Literacy

Speaking: We will be developing our communication skills with unfamiliar people.

Listening: We are developing our turn taking skills and sharing skills whilst using the Wii.

Writing: We will be selecting key words and symbols to create a simple CV.

Reading: We will be reading instructions to make soup.

General Homework Ideas...

Tasting different fruit and vegetables.
Going on a walk talking about what you can see.

Talking about what we are good at and what we like and do not like.

Playing games such as pop-up pirate, Wii, iPad games to develop turn taking and sharing skills.

Listening to different music - using iPad apps, and instruments to create music.

Music

This term we will be listening to a range of music and then creating our own. We will be using Interactive Whiteboard resources, iPads and musical instruments to make our own music. We will be filming our performances and then watching them back.
