

Comet Class - Term 4 Learning News!

Maths

Number: We will be generalising our number knowledge in all areas of our school curriculum. We will be counting cookies in cooking, counting steps on our walks and counting colours while creating abstract art.
Shape, Space and measure: We will talk about the shapes and sizes of the cookies

Life Skills

In Term 4 we will learn how to create a typical dish from China and we will learn how different/similar is from our diet. We will also learn about climate and climate change and how our lifestyle can impact.

Literacy

Speaking: We will be developing our communication skills with unfamiliar people.

Listening: We are developing our turn taking skills and sharing skills whilst using the interactive screen to choose English/Maths songs.

Writing: We will practice how to write "Happy New Year" in Chinese. We will also learn the colours in Spanish.

Reading: We will be reading instructions to make cookies.

ICT

We will be using ICT for leisure and learning purposes. We will be developing our sharing and turn taking skills through the interactive screen.

PE

This term in PE we will use benches and apparatus to create different circuits to develop our gross motor skills, core stability and strength. We will also learn different relaxing techniques.

Food Technology

This term we will be making and decorating cookies to sell them. We will also have a Chinese New Year week, where we will work on chopping some vegetables to make a stir-fry.

General Homework Ideas...

Tasting different fruit and vegetables.
Going on a walk and talking about what you can see.
Talking about different cultures.
Playing games such as bingo, Pop-Up Pirate and iPad games to develop turn taking and sharing skills.

Doing free painting using crayons and/or paint.

Art

This term we will be learning abstract art techniques. We will do free painting using cold and warm colours. We will also mix colours to create new ones.
