

Napier Miles Secondary

Earth Class – Term 3

Maths

This term we will be working on :

Capacity

Position

Number

English

Our topic this term is 'Our Community'. We will be learning about the tale of the Bristol giants Goram and Vincent. We will label pictures and use initial letters to find words. Some of us will concentrate on our reading comprehension of the tale.

Wow days/ school visits

Trip to Wild Place

Trips to local places in Bristol

PSHE

We follow the ASDAN New Horizons course, we will be learning about:

Health related occupations and things we are good at.

Topic

This term we are covering the topic Our Community, this includes:

Science — Floating and sinking—Looking at boats in the harbourside and making a boat to float (or sink!)

Geography— Investigate and visit places in our community such as, suspension bridge, harbourside, local parks, shops and Wild Place

History — Compare Bristol in years gone by, investigate recent history such as the MShed

Art and DT— Recreate some art in the style of local Bristol artists.

RE- Explore different religious beliefs such as Sikhism and Buddhism.
