

Napier Miles Secondary

Earth Class – Term 5

Maths

This term we will be working on :

- Money
- Using and making sense of Information
- Calculation

PSHE

We follow the ASDAN New Horizons course, we will be learning about:

Relationships

Feelings

English

Our topic this term is 'Foods from Around the World'. We shall be focussing on different countries each week, experimenting and experiencing different cultures and foods. We will learn to label photographs and recognise some initial letters of words relating to that country or answer questions on some text about the country.

Wow days/ school visits

A visit to the Harbourside to investigate the home town of the 1st pirate to visit Australia.

Topic

This term we are covering the topic Foods from Around the World - this includes:

Science — Things that rise with heat, solids and liquids in food (melting chocolate etc.)

Geography— Investigate different countries, their food and cultures

Art and DT— Create food art, make and taste different dishes from our focussed Countries.
