

## SLD Strand: Sun Class

### Term 5 2017/2018 Overview

#### Maths

This term we will be looking at:

Number – Addition and Subtraction within 20 and the 2, 5 and 10 times tables

Sorting and grouping objects in different ways

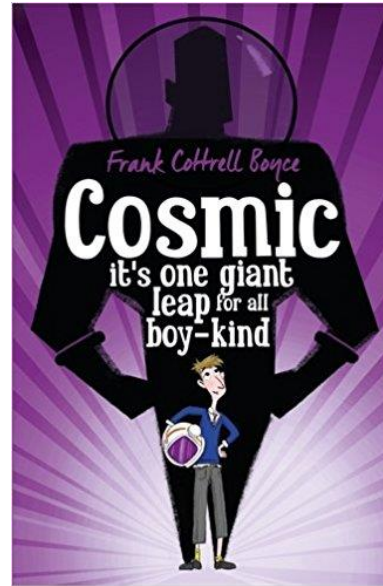

How to measure using standard and non-standard units

Number sequences

#### OCR Entry Level

Lines of symmetry

Addition and subtraction word problems

#### PSHE

We will be continuing to follow the New Horizons scheme for challenges, and the Transition Challenge or Bronze, Silver and Gold awards in ASDAN.

#### English

This term, we will be reading *Cosmic* by Frank Cottrell Boyce.

We will be doing a variety of English tasks based on the book, such as character description, designing galaxies, reading comprehension and writing our own space themed stories.

In phonics, we will be working on the digraphs 'sh', 'ck', 'ch', 'th', 'ai', 'oa' and 'ee'.

#### Topic

Languages – We will be continuing with Spanish and will be learning how to say what foods we like and what we don't like.

Humanities – We will be focusing on our long cooking task, creating healthy, Fairtrade bakes and having a bake sale.

Science – We will be keeping weather diaries

Creativity – We will be looking at a variety of abstract art techniques

Citizenship – Thinking about how we get around using public transport
