

Comet Class - Term 6 Learning News!

Maths

Number: We will be generalising our number knowledge in all areas of our school curriculum. We will be counting vegetables in cooking, coins during shopping, etc.

Shape, Space and measure: We will talk about the shapes and sizes of vegetables and we will also learn to recognize 2D shapes during group Attention Autism Sessions.

Life Skills

In Term 6 we will use money to buy items from the shopping list and preferred snacks. We will also practice how to wait at a real zebra crossing out in the community during our ASDA trip.

Literacy

Speaking: We will be developing our communication skills during Attention Autism Sessions.

Listening: We are developing our turn taking skills and sharing skills whilst using the interactive whiteboard screen to choose English/Maths songs.

Writing: we will practice our writing/mark making skills to recognise different jobs that people do.

Reading: We will be reading instructions to make a pasta dish.

ICT

We will be using ICT for leisure and learning purposes. We will be developing our sharing and turn taking skills through the interactive whiteboard screen. We will also learn about jobs watching PowerPoints about work skills.

Work skills

PE

This term in PE we will learn different Yoga poses to support positive mental health and learn calming techniques.

Food Technology

This term, we will continue learning about different jobs. We are going to role-play that we are chefs and we will promote healthy eating, now by learning how to make a pasta dish.

General Homework Ideas...

Helping to prepare a dish by chopping vegetables and mixing ingredients together. Making marks/drawing on maps. Talking about different jobs that people have. Playing games such as bingo, Pop-Up Pirate and iPad games to develop turn taking and sharing skills.

Art

This term we will do lots of art activities to make a display about different kind of jobs.
