

## SLD Strand: Sun Class

### Term 6 2017/2018 Overview

#### Maths

This term we will be looking at:

Time – Telling the time to the hour, half hour, and quarter past/quarter to

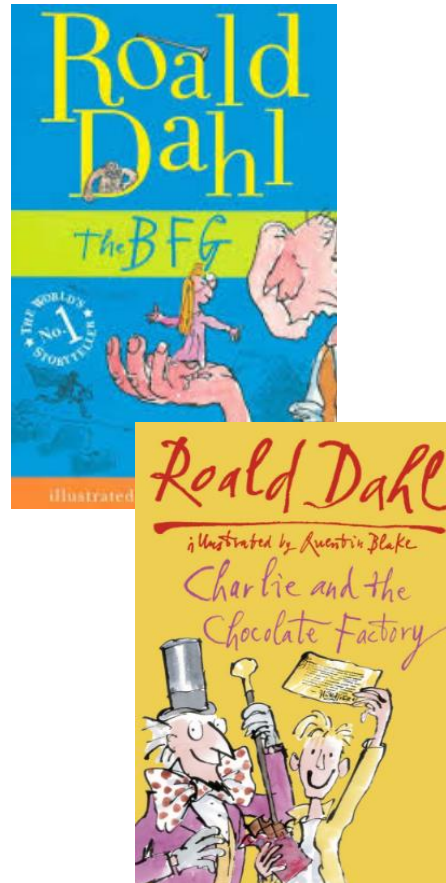

Fractions – halves and quarters

Number skills and place value

Addition and subtraction

Shape – Building with 3D objects

Early multiplication skills

#### English

This term, we will be studying texts by Roald Dahl; The BFG and Charlie and the Chocolate Factory are on our list!

We will be doing a variety of English tasks based on the book, such as character description, designing dreams, reading comprehension and writing our own revolting recipes!

In phonics, we will be working on the digraphs 'ng', 'oo', 'ai', 'ear' and 'air'

#### Topic

Languages – We will be continuing with Spanish and will be learning how to talk about the parts of our bodies in Spanish

Humanities – We will be focusing on cooking quick and easy tea time favourites.

Science – We will be making dream jars

Creativity – We have been creating art work based on mini-beasts for an exhibition

Citizenship – Considering our futures and visiting Ashley Down College

PE – We have been learning tennis skills and sailing this term

#### PSHE

We have completed our New Horizons and Transitions challenge work – hooray! We still have some gold ASDAN units to complete and will be thinking about transitions for September, and our goals for next year, as well as reflecting on the progress we have made this year.
