## Topic

This term we are covering the topic of 'In The News' We will be looking at the end of World War 1, 100 years ago. This includes:

Science - Animals from WW1 and their habitats, how poppies and plants grow

History - exploring WW1 lifestyles, food and artefacts from the war years

Geography - observe life in trenches and homes and compare with modern day

RE - Explore the history of Christmas and produce a video to show.

## English

Stories - WW1 stories and poems

Language and communication - Individual speech & language targets, functional & topic vocabulary, songs from WW1

Reading - Comprehension skills, phonic knowledge reinforcement, describing pictures with words & symbols

Wow days/ school visits:

Art day making poppies with all classes and some of our other sites.

## World War 1

## School trips & Events...

- Community trips

## PHSE

We follow the ASDAN New Horizons course, we will be learning about:

Personal Health  
Keeping Fit

Alongside these lessons will be running an Equals Accreditation scheme called 'Explorer' for our Key Stage 4 pupils
