

# Kingsweston Centre @ Shirehampton

## Maths

Calculation – counting objects. Addition and subtraction. Solving simple calculation problems.

Time – Knowing my timetable, days of the week, ordering timetables/everyday events. Telling the time to the hour and half hour.

Using and Applying - sorting, matching, grouping. Creating/identifying patterns.

## PSHE

Jigsaw topic – Relationships.

Identifying what makes a good friend and how we can solve friendship problems.

## Topaz Class Term 5 – Materials

## Art and DT

Upcycling an object – exploring how we can change the use of an everyday object.

## PE

Swimming

Outdoor games with a specialist sport coach.

## Extended school visits

Visiting Shirehampton village to purchase items according to packaging material.

## Geography

Identifying where materials come from – ordering process of manufacture.

Exploring recycling – what is litter? What can we recycle?

## ICT

Step by step animation – understanding the photo and video functions of the iPad.

## Homework

Identifying materials, days of the week, telling the time.

**Literacy** Focus on the Three Little Pigs story

### **Reading for meaning:**

Comprehension skills.

### **Handwriting:**

Overwriting, copy writing, improving handwriting skills (based on pupils' needs/strengths).

### **Phonics:**

Segmenting, blending, tricky words (pupils will follow different phonic phases based on needs/strengths).

### **Listening and Responding:**

Speaking and listening, following instructions, turn taking, social activities.

### **Sentence Structure:**

Sequencing, adding captions, writing, developing simple punctuation.

## Science

Identifying, sorting and grouping materials (plastic, metal, glass, wood, fabric).

Identifying properties of materials (hard/soft, rough/smooth, shiny/dull.

Identifying how materials change shape.

Exploring and experimenting opaque/translucent and float/sink.
