

# Moon Class - Term 6 Curriculum News!

## My thinking & problem solving...

Number: Counting, number recognition and sequences, number formation, place value and ordering, number songs, early calculation skills and Numicon.

Shape & Space: Moving around using directional language i.e. forwards, backwards, left and right, big steps and small steps.

Measure: Exploring items and how we can classify them, do they sink or float? Can they roll? Can we build towers with them?

## My Physical & wellbeing...

Sensory integration programmes, sequencing actions and movement in dance, movement and yoga sessions.

Play skills sessions, playground games, and social skills.

**Cycling Mondays** (weeks 1-4): using our breaks, building stamina, learning to ride 3 and 2 wheel bikes independently

Sports Week: football, races, climbing wall, Zumba, yoga. Identifying the effects of exercise on our bodies.

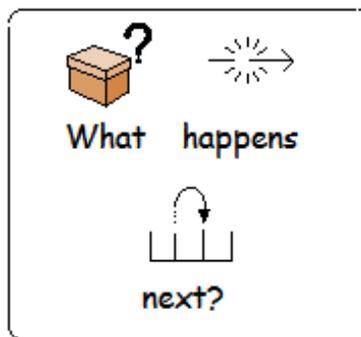

PSHE: Transitions, growing up, body changes, friendships, feelings, self-regulation strategies.

## My world...

Days of the week, months, seasons.

Planting seeds, exploring what plants need to grow.

Changing states, predictions, experiments: freezing/melting water and ice, corn flour slime.

## Learning @ Home...

Water plants in the garden, naming their features.

Make snacks together e.g. jelly, ice lollies, fruit smoothies.

Practice bike riding skills.

Label days of the week.

Continue to share stories together.

## My communication & literacy...

Language and Communication: Individual speech and language targets, listening and responding to peers. Talking about what we can see and what has happened in Science experiments.

Reading: Decoding, phonics and letter sounds, blending, story comprehension  
Writing: Mark making, fine motor skills practice, spelling, letter formation, handwriting, sentence composition, grammar

Topic Related: Fiction: Themed stories. Non-fiction: postcards, letters and recounts, posters and brochures.

## My creativity...

Art- Ice painting, corn flour paste collage, seasons and plant art.

Music- Playing instruments- continuing patterns, experimenting with beat, rhythm and tempo.

Cookery- Exploring healthy eating choices, following recipes and instructions. Changing states- making jelly, hot chocolate, cup of tea, fruit smoothies, ice lollies.
