

Stars Class - Term 1

Maths

Number: Recognising and engaging in different number songs. Rote counting and recognising different numbers up to 10 as we build a catalogue of our favourite number songs.
Shape, Space and Measure: Using different shapes to create faces and bodies.

History

In History we will be looking at the different stages of growth and matching parts of the human body.

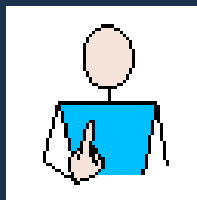

Literacy

Speaking: We are learning to recognise pictures of our peers and exchanging them for a sensory treat.
Listening: Learning our phonics sounds and matching items that begin with that sound.
Writing: Focussing on our individual target work.
Reading: Completing different matching games relating to our topic.

Design & Art

In Art this term we are looking at using symbol exchange to request our favourite colours and independently create our own works of Art.

All About Me

PE

This term in PE we are working on standing up or sitting down depending on the type of music that is playing. We are also experiencing different types of PE equipment such as Rugby balls and moving around the hall holding them.

Food Technology

In Food Technology we are working on recognising symbols and matching them to different ingredients to make some simple cake recipes such as fairy cakes and shortbread.

General Homework Ideas...

Recognising photos of different members of the family and exchanging with that person.

RE

In RE we will be focussing on Harvest Festival and identifying different types of food.
