

Rocket Class - Term 5 Topic Plan 2020-21

Maths

Coins (Money) - Rocket class will be practising and experimenting with coins this term.

We will take advantage of this topic to work other subjects as shapes (round, long), colors (brown, grey) and size (big, small).

We also will learn about value of money, (1p, 2p, 5p, 10).

Design & Art

We will use plants and vegetables to make our art works (natural pigments, and shapes) and we will know more about Ramadan art like Henna and we will create fluffy moons and stars.

PE

We will continue learning about different ways of moving and we will start to practice new sports as Tennis and Hockey.

Topic

This term 5 Rocket class pupils are going to learn about food from around the world.

This includes:

Science - We will know about what is food and what is not a food, healthy and unhealthy food, where does food come from, where I can buy food (supermarket, small groceries) and different groups of food (meat, fish, cereal, fruit).

English

Language and communication - Individual speech & language targets, listen to a sensory stories and recall some words related with our topic.

Phonic sessions:

Makaton -

Learning new Makaton signs related with our topic stories.

Colourful semantics: Using this method to improve reading and writing skills as well as social skills.

ICW's words- Information carrying words allow students to improve his listening skills.

Food from around the world

Wow days/ school visits:

Showcasing our Art creation to other classes and families using our padlet class.

PHSE

Rocket class will keep studying different part of their body and personal care as a part of Asdan curriculum.

We will know more about Ramadan and Muslim religion.
