

# Rocket Class - Term 6 Topic Plan 2020-21

## Maths

Big/small and position – Rocket class will be learning about position preposition like in, on, under or out. We will be practising again maths concepts like big/small, long/short and heavy/light.

## Design & Art

We will based our art activities in our sensory stories like “We live under the same sky”, All change. We will create our own sky and we will think about what we can see in the sky.

## PE

We will continue learning about different ways of moving and we will start to practice new sports as Cricket and Rugby. We were learning about Olympic sports too.

## Topic

This term 6 Rocket class pupils are going to learn about graffitis.

This includes:

Art– We will know about how to mix colours, and how to combine them to create attractive piece of art.

We will use different painting tools, as brushes, and spray to make our graffitis.

## •Graffiti•

## English

Language and communication – Individual speech & language targets, listen to a sensory stories and recall some words related with our topic.

Phonic sessions:

Makaton –

Learning new Makaton signs related with our topic stories.

Colourful semantics: Using this method to improve reading and writing skills as well as social skills.

ICW's words- Information carrying words allow students to improve his listening skills.

Wow days/ school visits:

Showcasing our Art creation to other classes and families using our padlet class.

## PHSE

Rocket class will thinking about jobs than can help us in our life, police, doctor, nurse.

We will be exploring our feelings using our well loved book, “The colourful monster”.
