

# Post 16 - Term 1 Topic Plan 2021-22

## Maths

Using money to exchange for items in a community café and shopping. Sorting belongings into own

Use weighing and measuring in cooking.

## English

Write a manual on how to use a kitchen appliance. Answer 'yes' and 'no' questions in relation to kitchen appliances. Recall the Jewish festival story of Rosh Hashanah.

## Art & celebrations

Students will be having a weekly session with Julia. We will be experiencing different sensory stimulus and using the outdoor areas of the school, including the outdoor gym and Forest school areas.

## Experiencing Games

We will be focussing on using the outdoor gym and using the equipment safely. We will write a list of instructions to use equipment safely and record how often we use it.

## Independent Living - Keeping clean

We will be thinking about why we use different household appliances and what use each one has. We will experience using different products for cleaning and compare how effective each one is.

Alongside, we will be having sensory experiences and using the different areas of the school every week.
