

Penguin Class - Term 1 Topic Plan 2021-22

Maths

Matching - Penguin class will be doing activities, where our pupils will be able to master this very important Mathematical skill. They will match colours, numbers, and shapes. Penguin pupils will use different materials like Numicon or Lego bricks. Singing math songs: We will sing all together some of the more well know math songs during circle time.

Topic

This term 1 Rocket class pupils are going to learn about several topics:
Back to School, All about me, Penguins, Autumn and Halloween.

English

Language and communication - Individual speech & language targets, listen to our daily sensory stories and recall some words related with our topic.
Makaton - Learning new Makaton signs related with our topic stories.
ICW's words - Information carrying words allow students to improve his listening skills.

Design & Art

We will based our art activities in our topics, Penguin, autumn and Halloween. We will use leafs to talk about Autumn, salt playdough to make penguins and Halloween staff to decorate our classroom.

•Penguin•

PHSE

Penguin class will be thinking about different parts of our body. We will be doing group activities where we will use songs, stories and small videos, to show to our pupils how to name some parts of their body.

Wow days/ school visits:
Showcasing our Art creation to other classes and families using our padlet class.

PE

During our PE session, we always try to have lot of fun and we try to have a very active session. We always start with a warm up where we can explore different ways of movement, run, jump, walk and this term we will explore how music can make us feel in different ways, sad, happy, calm. In every session we will play games, splitting our pupils in two different teams. At the end of the session we will have a relax time.
