

Penguin Class - Term 2 Topic Plan 2021-22

Maths

Numbers- Penguin class has been working very hard with numbers since Term 1, matching them, counting and using them during our maths song time and math game time.

Numicon: We think in Penguin class that Numicon system can help our pupils a lot, increasing their maths skills.

Topic

This term 2 Penguin class pupils are going to learn about several topics:

Our main topic for this term is going to be "My body" but we are going to enjoy lots of very interested celebration topics, as "Bonfire night", "Diwali" and Christmas.

English

Sensory story- We will have a few stories related with our topic like, Rita and Sana, My body, Christmas story or bonfire poems.

CVC words- Penguin pupils will be working with some key CVC words related with our topic.

Writing- Every Monday our pupils will be experimenting different types of writing, using their fingers, brush and pencils.

Design & Art

We will focus our art activities in our topics, so we will be able to create diva lamps, make amazing Rangolis, painting colourful fireworks, and making crafts related with Christmas time.

·Penguin·

PHSE

Penguin class will be thinking about different parts of our body. We will be doing group activities where we will use songs, stories and small videos, to show to our pupils how to name some parts of their body.

Wow days/ school visits:

Showcasing our Art creation to other classes and families using our padlet class.
Celebrating our Pupils's achievements in our class Assembly.

PE

During our PE session, we always try to have lot of fun and we try to have a very active session.

We always start with a warm up where we can explore different ways of movement, run, jump, walk and this term we will explore how music can make us feel in different ways, sad, happy, calm.

In every session we will play games, splitting our pupils in two different teams.

At the end of the session we will have a relax time.
