

# Penguin Class - Term 4 Topic Plan 2021-22

## Maths

For Maths Penguin class is very focused in counting items, 1 and 2. We will use our PECS symbols to support our pupils. Snack time will be a wonderful opportunity for our pupils to show us how many biscuits, oranges or race cake they want, 1 or 2? We still will be thinking about shapes, and big/small.

## Topic

This term 4 Penguin class pupils are going to learn about several topics:  
Our main topic is going to be Chocolate but as usual we are going to have a few celebration topics like World book day, and Easter.  
This term we will have two very important weeks, the national careers week and our Science week.

## English

Sensory story- We will have a few stories related with our topic, chocolate by Michael Rosen will be one of them.  
Every-day words- Penguin pupils are learning everyday words related with food and cutlery.  
Writing- Every Monday our pupils will be experimenting different types of writing, using their fingers, brush and pencils.

## Design & Art

We will focus our art activities in our topics and we will use our PECS symbols to improve our communication skills during our art sessions.

## Chocolate

## PHSE

Penguin class will be thinking about our feelings, happy, sad or angry and how you can identify and recognize them. At the same time we will think what we can do when we are happy or how can we manage our sadness or anger.

## Wow days/ school visits:

We will have a very special visitors during our national career week ( fire fighters from Avon Brigade) and a few police dogs.

## PE

During our PE session, we always try to have lot of fun and we try to have a very active session. We always start with a warm up where we can explore different ways of movement, run, jump, walk and this term we will explore how music can make us feel in different ways, sad, happy, calm. In every session we will play games, splitting our pupils in two different teams. At the end of the session we will have a relax time.
