

Penguin Class - Term 6 Topic Plan 2021-22

Maths

For Maths, Penguin class we is still very focused in counting items, 1 and 2 and we will start with number 3. As always They will use PECS to support their learning. Big/small and position/space (in, on, out, under) will be two very important subjects during this term and patterns.

Topic

This term 6 Penguin class pupils are going to learn about several topics: Our main topic is going to be "Explorers" but we will have another two secondary topics, Summer and Feelings (The zones of regulation).

English

Sensory story- We will be reading stories/poems about explorers and the main story will be "We are going on a bear hunt", it is a classical book and we all love it.

Familiar symbols/words- Penguin pupils are learning everyday words/symbols related with our sensory stories.

Writing- Every Monday our pupils will be experimenting different types of writing, using their fingers, brush and pencils. They will use a painting board to choose tools and colour.

Colourful semantics- We will use this method during term 6 to improve our pupil's communication skills.

ICW's words: Pupils will be making ICW's word activities with 2 and 3 key words.

Design & Art

We will design our ideal transport (boat, plane, train) to make our trips.

We will use our PECS symbols to improve our communication skills during our art sessions.

Explorers and Summer

PHSE- Private place and public place and how to greet properly other pupils or adults.

Wow days/ school visits:

We will do our first trip of the year to discover the amazing Blaise castle and all the amazing things that we can find in this wonderful place.

PE

During this term we will still assess our pupils in different PE exercises like running, jumping, catching and throwing.

At the same time we will practice sport teams like Football and Basketball and we will do outdoor games.
